Lowest parking rates in Westminster!

16/06/09

Going by its motto, making life easy for you, The Royal Horticultural Halls (RHH) has negotiated the lowest parking rates in Westminster, so visitors and clients can now park their cars for just £12 per day (24 hours) - that's an incredible 50 pence an hour!

Maugie Lyons at the RHH says: "We understand that whether you're attending an event, exhibiting or supplying materials, shelling out the pounds for parking can be a nightmare. So in our bid to make every event at the Halls run as smoothly as possible, we have agreed this excellent rate with APCOA."

And the good news doesn't stop there! Leith's at the Royal Horticultural Halls has just been awarded a maximum five star Scores on the Doors rating for their high standards of food safety management and full compliance with food safety legislation by Westminster City Council.

Let the Halls help your event run smoothly - book now for a truly original space and great value for money in the heart of Westminster. For more information, call us on 0845 370 4606 or visit <http://www.horticultural-halls.co.uk/>.
